During the school year our High School teams practice every Saturday at the Santa Cruz Harbor and once or twice a month we travel to races around the Bay Area. Sailing is a skill you can use your whole life and now is the time to start! If you're comfortable with sailing and being on the water we encourage you to join our team and come to SCYC's Summer Sailing Clinics to get a jump start in our program, and even if you aren't familiar with sailing we would love to have you join us for our beginner clinics in the summer.
